HAKKIMIZDA

Şirketimiz üç kuşak önce 50 metrekarelik küçük bir marangoz atölyesinde sınırlı imkânlarıyla başlayan iş hayatında kazandığı deneyimleri, kurumsallaşma hamlesiyle ileriye taşıyarak orman ürünleri sektöründe bulunan tüm paydaşların saygısına mazhar olmuştur.

2000'li yıllarda ülkemizde inşaat sektörünün hızlı bir yükseliş ivmesi yakalaması ile 2007 yılından itibaren ahşap iç oda kapılarına yönelik **yarı mamul ve mamul üretimine profesyonel olarak başlamıştır.**

Geldiğimiz noktada 7000 m² kapalı olmak üzere toplam 10.000 m²lik bir alanda modern makine parkurunu tamamlayarak yıllık 60.000 adet kapı üretimi yapar hale gelmiştir.

ABOUT US

Our company has gained the respect of all stakeholders in the forestry products since it's start at a 50 sqm workshop 3 generations ago.

With the rapid growth momentum of the construction sector in our country in the 2000s, in 2007 we professionally started producing semi-finished and finished interior doors.

At this moment, with new investments we have upgraded our machinery park in a total area of 10.000 m², of which 7000 m² is closed, and has been producing 60.000 doors per year.

Along with these developments, we have the franchise of Turkey's leading companies of laminate flooring, laminate kraft honeycomb paper and COMPAK manufacturers and started selling and instilling them.

akabinde Compak Laminat ürünleri ile Laminat Parke satış ve montajına başlamıştır.

2018 yılı itibariyle Afrika ve Orta Doğu ülkelerine ihracat seferberliği başlatılmış olup, bu kapsamda hayli mesafe alınmıştır.

Firmamız, ilkeli rekabet ve sürdürülebilir büyüme ile ülkemiz ekonomisine ve toplumumuza katkıda bulunmayı kendisine misyon olarak kabul edinmiştir.

As of 2018, export drive to Africa and the Middle East countries has been started and a great distance has been achieved in this context.

Our company has adopted it as a mission to contribute to our country's economy and society with principled competition and sustainable growth.
